Cromia26 è l'elegante trionfo della scala cromatica che dona al formato 6,5x26,6 cm una cadenza perfetta di nuance calde e fredde. Un'ampia gamma colori che consente grande versatilità al prodotto, esaltata da una superficie leggermente convessa ed adornata da un bassorilievo. I toni ricercati donano a Cromia26 un carattere poetico e contemporaneo con le cadenze di colori in beige, grigio, verde e metallizzato nelle sue tre sfumature oro, bronzo e acciaio che regalano un tocco vintage a tutta la collezione.

Cromia26 is the elegant colour scale which makes the 6.5x26.6 cm size the perfect solution for both cold and warm compositions. A vast range of colours which provides high versatility, enhanced by a subtly convex surface decorated in a bas relief finish. Its elegant tonalities make Cromia26 a poetic, contemporary collection: tones of beige, grey, green are supplemented by the vintage tones of metallized gold, bronze and steel.

ATTENZIONE: PIASTRELLE
CON COLORI METALLICI
I colori metallizzati sono realizzati
con smalti speciali che tendono ad
avere un effetto crackle naturale e
una bassa resistenza a prodotti acidi
ed alcalini. Non utilizzare prodotti di
pulizia aggressivi, come candeggina
e ammoniaca. Consultare la guida
all'installazione e alla manutenzione a
pag.155

WARNING: TILES WITH
METALLIC COLORS:
Metallic colors are made with special
glazes that tends to have a natural
crackle effect and low resistance
to acidic and alkaline cleaning
products. Do not use aggressive
cleaning products, such as bleach or
ammonia. Check the installation and
maintenance guide at pag.157
